

Dear Campers and Parents

We are extremely excited to offer the 2012 UVA-Wise Basketball Camp. I have been a part of summer basketball camps for over two decades and this summer camp promises to be one of the best.

We work very hard to ensure that every camper has a positive, exciting experience during camp. Our camp is designed for players of all ages and skill levels with an emphasis on teaching basic knowledge and skills of the game. During the week of camp we will be teaching fundamentals through team competition, group training, and individual instruction. We take great pride in providing a positive environment where each and every camper can feel good about what they have accomplished during the week of camp.

Our camp staff will work very hard to provide positive instruction in a safe and enjoyable environment. I hope that you will join us for the 2012 UVA-Wise Basketball Camp as it promises to be one of the best weeks of the summer.

Sincerely,

Lee Clark

Head Men's Basketball Coach
